2019/09/04

Product DescriptionMost people want to enjoy the peaceful life and just don't want disturb by others after work or in weekends. In this situation this Handheld design Cell Phones, WiFi, GPS blocker with 5 antennas can be a good choice. This handheld cell phone jammer owns six jamming frequency ranges and there must be one that you need. And from another point the total Output power is only 1.2W, so it is a power-saving product and won't waste energy. And depending on the signal strength in given area the jamming radius can up to 8m, which is enough in normal condition. And since its weight is only 150g, it is easy to carry so that you can easily bring it with you. If you want to know more detail specifications you can contact us at jammerall and get the information you need. Contact us and you will get the high quality products at the best price.
